

OLIVER BONAS

We hope you love your purchase, however if you aren't completely happy please retain your packaging to ensure its safe return.

This product is made from high-quality cotton velvet. Velvet is inherently sensitive to pressure. Any marks left after scuffing or compression will come out in time, but this process can be helped along by lightly steaming the affected area. Shedding of the velvet pile may occur and is a natural characteristic of this type of fine fabric which will settle over time.

This does not detract from its wearing ability in any way. Gentle wash at 30° C . Do not bleach. Tumble dry on a low heat. Do not iron. Do not dry clean.

Retain this information for future reference.
