SUN CANOPY ASSEMBLY

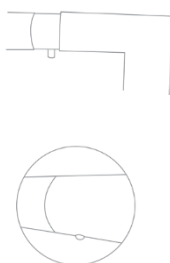

Get a friend to help assembly your Sun Canopy.

1

Screw together the upright pole with the corner angle and the pole with the spike on the end and place into the ground for stability.

2

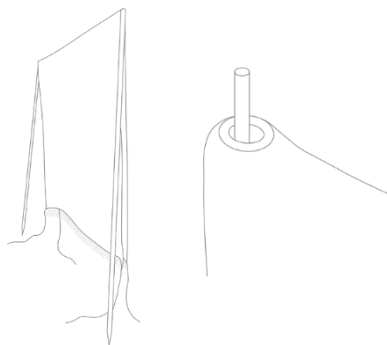

Click the corner mechanism together to create the horizontal top rail. Ensure they are aligned.

3

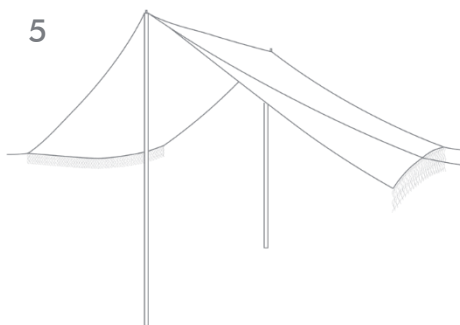

4

Place canopy over the top rail and use the eyelets to secure the position.

5

Tighten ropes using the provided pegs. Check secure before use. Move the pegs as needed to increase the span.

KNOT OPTIONS
